SEN. JOHN COBB, SD 9, AUGUSTA, agreed to support the House Joint Resolution language, but voiced his support for cuts sanctioned against states that misuse Medicaid funds.

Ms. Steinbeck requested that the committee defer Executive Action on Medicaid caseload and caseload updates until she's had a chance to further review the issue.

Dr. Robert Wynia, Director, Department of Public Health and Human Services (DPHHS) and **Mr. John Chappuis, Deputy Director, DPHHS**, distributed a chart noting DPHHS Medicaid Caseload Change Summary and a packet entitled "Medicaid Caseload Summary of Changes, February 16, 2005 - Current Projections Less Executive Budget."

Ms. Steinbeck directed the committee to Page B-8 in the Budget Analysis.

Mr. Chappuis discussed Exhibit 2 and Exhibit 3. He pointed the committee to Page 4 of Exhibit 3, noting affects of erroneous Disease Management line-item roll-up.

Responding to **SEN. COBB**, **Mr. Chappuis** stated that \$3.9 million is the revised Executive request for caseload change. In total, there is no difference in the Executive request and the DPHHS request, although there is a change in general fund allocation.

{Tape: 1; Side: A; Approx. Time Counter: 8.2}

Responding to **SEN. COBB, Ms. Steinbeck** confirmed that automatically generated comparisons of the legislative and the Executive budgets will likely cast the legislature a less favorable light, since the comparisons will rely on the Executive budget prior to revision.

Prompted by **SEN. COBB's** follow-up question regarding Legislative Fiscal Division (LFD) comments on the revised Executive request, **Ms. Steinbeck** noted the Medicare buy-in, discussed Children's Mental Health cost increases, and requested that the committee segregate Senior and Long-Term Care (SLTC) nursing home costs for review with SLTC representatives.

Motion: **SEN. COBB** moved that **MEDICAID PROJECTION CHANGE DECISION PACKAGES, INCLUDING HEALTH RESOURCE DIVISION (HRD) DP's 13, 14, 17, 20; SLTC DP's 16 and 21; ADDICTIVE AND MENTAL DISORDER DIVISION (AMDD) DP's 19 and 99, BE ADOPTED.**

Ms. Steinbeck suggested that the committee consider segregating SLTC DP's 16 and 21, as they draw their monies from the general fund.

Mr. Chappuis further detailed comments and attitude on the part of Mr. David Ewer, Executive Budget Director, regarding this matter.

SEN. COBB withdrew his motion without objection.

Mr. Chappuis referred the committee to Exhibit 2.

Ms. Steinbeck further discussed Exhibit 2 and Exhibit 4.

At the request of **SEN. GREG LIND, SD 50, MISSOULA, Mr. Chappuis** described how DPHHS deals with fluctuations in medical costs and funding. He stated that the 2003 Legislative Session was the only time in his 25-year tenure that the Executive branch has proposed budget-driven cuts.

Ms. Steinbeck stated that Governor Judy Martz's administration was the first to follow the letter of the law regarding the state's responsibility to cut expenditures costs exceed appropriation authority. She noted that more routine reactions to cost over-runs include withholding provider rate increases and service expansions.

{Tape: 1; Side: B}

EXHIBIT(jhh38a05)

Responding to **REP. MORGAN, Ms. Steinbeck** discussed the Executive budget in the context of the appropriations act, statute and implied amendments to statute. She stated that if the committee accepts the Executive's I-149 budget, it should also request a subcommittee bill to amend I-149 regarding the Executive's proposed usage.

{Tape: 1; Side: B; Approx. Time Counter: 14.1}

SEN. COBB requested Executive response to Mr. Petesch's analysis.

SEN. WEINBERG emphasized the committee's responsibility to understand and champion the will of the voters with respect to I-149 usage.

REP. JAYNE asked if the Executive Branch has prepared an alternate funding source for the Medicaid support component of its I-149 budget.

REP. JAYNE called for DPHHS or division response, and **Mr. Chappuis** deferred to OBPP.

{Tape: 1; Side: B; Approx. Time Counter: 21.5}

Mr. Andersen arrived and discussed varying legal opinions regarding the Executive proposal for I-149 usage.

SEN. COBB requested a reply from the Administration's attorney's regarding this matter.

CHAIR KAUFMANN announced to members that committee bill passage requires a 6-1 committee vote in favor of the bill.

Responding to questions from **SEN. COBB**, **Mr. Andersen** discussed Mr. Petesch's counsel to the OBPP regarding the Medicaid and Health Initiatives Account.

CHAIR KAUFMANN encouraged the committee to move efficiently through remaining Executive Action decisions.

Responding to questions from REP. MORGAN, Mr. Chappuis stated that DPHHS has not yet cut specific FTE's.

Mr. Andersen discussed the rationale behind the statewide FTE reduction, and suggested that if the committee wants to counter its past CFSD DP 9999 action, it create a new DP with specific FTE allocation. He also noted that DP 9999 affects all state departments and divisions.

SEN. COBB asked LFD staff about what would be the easiest way to give CFSD \$250,000 in personal services. When questioned, he stated that he was interested in adding CFSD FTE's that would be able to address CFSD's federal improvement plan.

Ms. Gervais noted several options.

Substitute Motion: REP. KAUFMANN made a substitute motion that THE COMMITTEE ADD 6.35 FTE TO DPHHS, RESTRICTED TO SOCIAL WORK POSITIONS, WITH NON-SUPPLANTATION LANGUAGE.

Ms. Steinbeck and Ms. Gervais explained why the substitute motion will not achieve the committee's desired effect.

Motion/Vote: REP. JAYNE CALLED THE QUESTION ON MOTION #5. Motion carried unanimously by voice vote.

CHAIR KAUFMANN stated that she would like to add 6.35 FTE to CFSD, and that the substitute motion was an attempt to be sensitive to OBPP.

Mr. Andersen expressed his belief that the suggestion of specific FTE allocation was in line with committee intentions.

{Tape: 2; Side: B}

In response to **SEN. WEINBERG, Ms. Gervais** discussed how to address CFSD DP 9999 in a budget neutral manner.

{Tape: 2; Side: B; Approx. Time Counter: 3.2}

Motion: **SEN. COBB** moved that CFSD DP 9999 BE ADOPTED.

REP. JAYNE asked **SEN. COBB** to explain why he wished to strike down the FTE reduction in this division, but not in others.

SEN. COBB stated that because CFSD could be fined \$2 million if it does not succeed in meeting federal performance standards, he did not wish to delete FTE's that could be instrumental in keeping the division on-track.

CHAIR KAUFMANN gave the committee her reasons for supporting **SEN. COBB's** motion.

Vote: Motion failed 1-6 by voice vote with **REP. JAYNE** voting aye.

{Tape: 2; Side: B; Approx. Time Counter: 11.4}

SEN. COBB expressed that this decision would put \$190,000 general fund money, plus corresponding federal funds, back into the division budget.

SEN. LIND asked DPHHS if **SEN. COBB's** motion was the most effective means to achieve his ends.

Mr. Chappuis answered carefully, citing his charge to advocate for the Governor's budget. He told the committee that a 2% vacancy savings would allow CFSD to immediately start the hiring process when the division has a vacancy.

{Tape: 2; Side: B; Approx. Time Counter: 14.7}

Vote: Motion carried unanimously by voice vote. REP. MCNUTT voted by proxy.

cigarette tax usage language, as well as past, present and proposed SLTC allocation of the tax's \$250,000 revenue.

Ms. Steinbeck said that last session's committee provided this funding authority because of its concerns about Veterans Home's budgets.

Responding to follow-up questions from **SEN. WEINBERG, Ms. Williams** stated that the full \$250,000 was used in the last Fiscal Year (FY), and that SLTC will soon be making its request for full usage of the \$250,000 in the current FY.

Prompted by questions from **CHAIR KAUFMANN, Ms. Steinbeck** stated that she was not sure if these funds existed in SLTC base funding.

CHAIR KAUFMANN suggested that the committee delay action on this issue.

{Tape: 3; Side: A; Approx. Time Counter: 26}

Ms. Gervais provided and discussed information entitled "TANF (Temporary Assistance for Needy Families) Federal Grant and State Maintenance of Effort that Fund the WorC Contracts and Work Activities."
